

Create a custom Fundraising page with Virgin Money giving

A free, custom page from our online fundraising partner Virgin Money Giving could be the perfect way to boost your fundraising total! It's quick and easy to set up your page and with this guide you'll be done in a few minutes.

First, ensure you're fundraising for Dream-A-Way by visiting our specific link:
<http://uk.virginmoneygiving.com/charities/dream-a-way>

Next, click the  button at the bottom of the page.

Now choose one of the 4 options depending on your event type.

You'll now be prompted to add some basic details about yourself and the event you're organising such as the date and location.

When you reach the charity page you'll see it's pre-populated with Dream-A-Way's details. If something went wrong and it doesn't show us, don't worry - you can always choose Dream-A-Way again at this point!

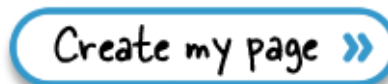

When you reach the My Details tab you'll be asked to either register for a basic free Virgin Money Giving account or sign in if you've fundraised before.

After you've entered your details, you'll choose your personal page address. This will be the link you can give to your sponsors to ensure they reach your page directly. It'll look like this:

<http://www.virginmoneygiving.com/>

Almost there! You just need to click

and you'll be taken to a preview of how your page will look to others.

There's a section here to customise the page to your liking. You can add a picture or a choice of widgets such as a countdown, blog or Twitter link etc if you like.

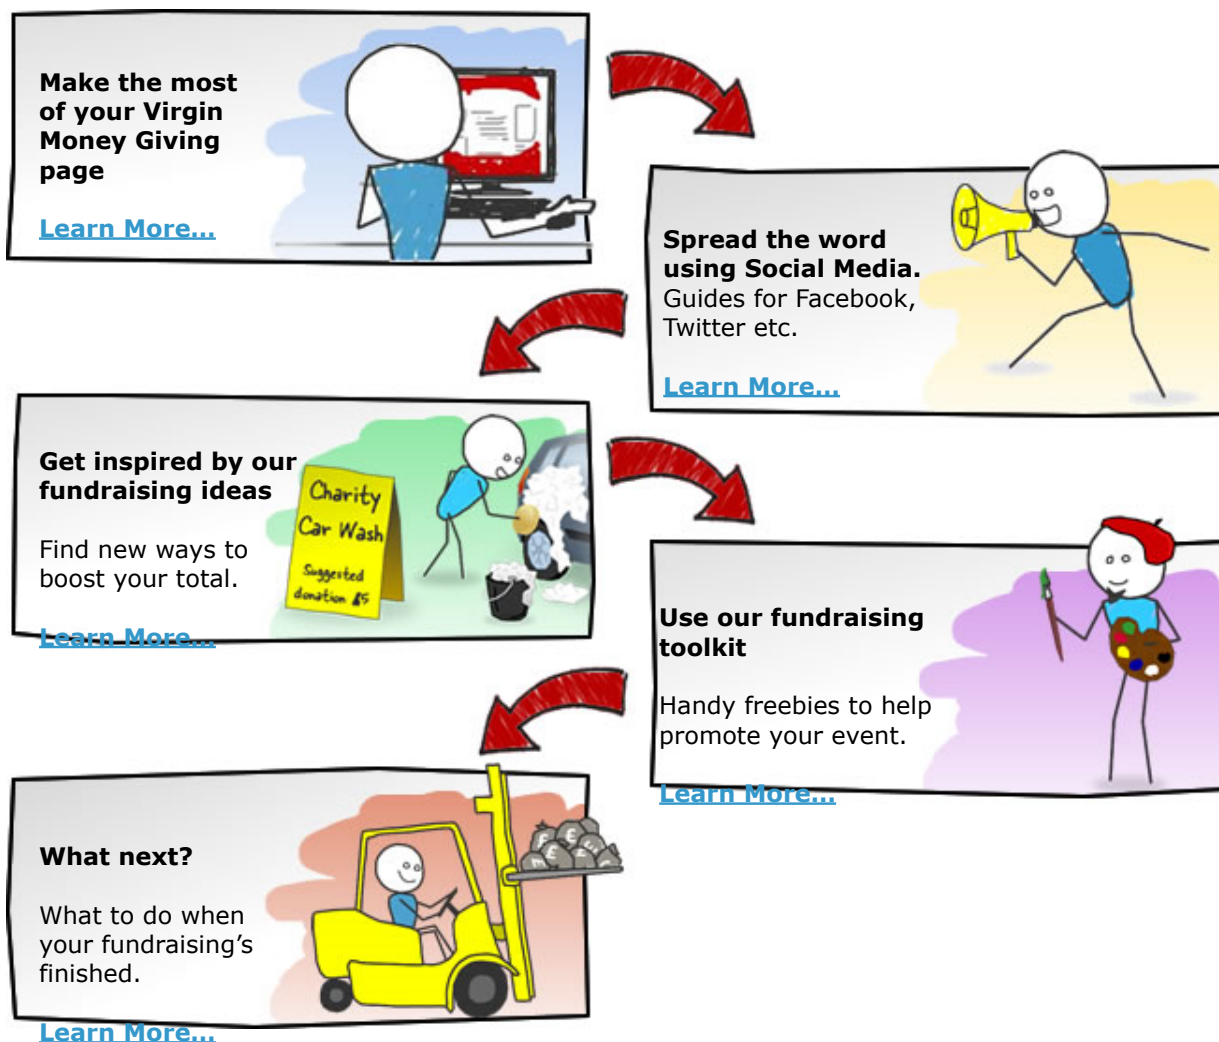

Start fundraising

That's it! You're all set! You'll receive an email from Virgin Money Giving confirming your details and you can start to promote your link.

If you send it to webmaster@dream-a-way.org we'll ensure we promote your event on our website too!

There's a few simple ways that you can ensure you boost your fundraising and reach the widest range of people possible.

Click the images below and your web browser will open on a page with more information about each topic.

For more information on any Dream-A-Way event or for general enquiries please contact events@dream-a-way.org or visit www.dream-a-way.org
